

EVENT & PROGRAM POLICY

The shopping and visiting experience of this community is always our priority. Whether strolling through or hanging out, we [**always**] want to put you in a [**good**] spot.

The following measures are being implemented to ensure your safety while on property:

- The property's Rules of Etiquette and Youth Escort Policy remain in effect.
- No outside alcohol is permitted on-site.
- Valid ID required for all alcohol purchases.
- Alcohol must remain within the designated event footprint at all times.
- Saturday & Sunday events: Alcohol consumption is limited to the original footprint (the common area known as "The Valley"). Please follow all posted signs for boundary guidance.
- Friday evening events: The alcohol footprint is expanded to include the entire horseshoe (Upper Main Street). Follow event signage and staff direction for permitted areas. Alcohol is not permitted inside stores.
- No drinking outside designated zones; violators may be asked to leave.
- All beverages must be in event-approved cups while in the footprint.
- Respect the music and performers.
- No smoking or vaping in the event area.
- Families welcome! Children must be supervised at all times.
- Play it safe: Casual lawn games are welcome, but no fast or long-distance throws/kicks that could travel beyond the common area and reach cars or other guests. This includes cornhole.
- Mind your toss: Be mindful when playing cornhole, not to disrupt others.
- Lawn activities are fun! Please help us keep them in good condition and the area neat.
- Personal chairs and blankets are allowed unless otherwise noted; please keep sidewalks and storefronts clear.
- Pets must remain leashed and under control; owners are responsible for cleanup.
- Follow staff and security instructions at all times for everyone's safety.

Thank you and have fun!

We [**always**] put you in a [**good**] spot.
